

Accessories

Accessories that will integrate into any office environment to provide that finishing touch. Our mobile pedestal storage range is designed for durability and the under-desk cable tray provides a simple cable management solution. Screen hung paper trays keep your worktop clutter free.

Mobile Pedestal

The Mobile Pedestal is the perfect under-desk storage unit. It is configured with 2 standard drawers and 1 file drawer. Features include full steel construction, multi-lock, a fifth safety castor wheel and metal double extension runners. The Mobile Pedestal is available in silver or white powdercoat finish and has been designed to fit comfortably under our desks and work tables. The pedestal measures 540mm deep x 610mm high x 420mm wide.

Mobile Caddy

Combining an office mobile pedestal and a cupboard storage unit, the Mobile Caddy is designed to slide under our range of desks and tables. The Mobile Caddy features full 25mm construction with metal drawer runners, a multi-lock and lockable tambour door. The filing drawer has double extension runners. The mobile caddy measures 550mm deep x 650mm high x 1000mm wide.

Modesty Panel

Measuring either 1100mm or 1400mm wide x 20mm deep x 350mm high, the under-desk Modesty Panel is available in white or silver powder coat.

Keyboard Lozenge

The keyboard lozenge is available in white or silver powder coat and suits a 25mm worktop.

Cable Tray

The under-desk cable tray is available in lengths of either 950mm or 1250mm and 1550mm. Available with soft-wired option.

Paper Tray

Designed to easily clip onto the Poly Privacy Screen, the paper tray is available in either white or silver powder coat.

Table Flexibility

Switch Turn folding tables provide a smart and contemporary solution for training, conference rooms or mobile office desking. It is a folding and mobile table that has been designed to meet the demands of multi-functional rooms. With its clever folding action, users are able to easily re-configure the room to meet the needs of the day. The capability to integrate power through an inbuilt modesty panel makes this a truly flexible work surface.
